A negro man was arrested and charged with possession of intoxicating liquors, but was released when he made bond Sunday.

Makes Two Raids.

The deputies made two raids at negro residences in Plano, Saturday afternoon, but failed to find any evidence.

They also investigated two minor accidents which occurred on Highway 75, in South Plano during the afternoon.

Dr. John Gowdy Joins Staff At VA Hospital

K. J. O'Brien, Assistant Manager of the local Veterans Administration Hospital, announced today the recent transfer of Dr. John M. Gowdy, from the William W. Hastings Hospital, U. S. Indian Service, at Tahlequah, Oklahoma, and his assignment to the staff of the Chest Disease Service at the McKinney VA Hospital. Dr. Gowdy has reported for duty and is now in the process of becoming acquainted with the patieats of the Chest Disease Service and the mebers of the hospital staff.

Native of Arkansas.

Dr. Gowdy is a native of the state of Arkansas. He completed four years of undergraduate study at Hendrix College in Conway, Arkansas, and in June 1947 obtained his degree from the School of Medicine, University of Arkansas. Dr. Gowdy served an internship at St. Vincent's Hospital in Little Rock. Before entering the Federal service, he did private practice at Mt. Ida and Earle, Arkansas.

With Federal Hospitals.

Since April 1951 Dr. Gowdy has been associated with Federal hospitals, initially as a commissioned officer of the U. S. Public Health Service and most recently as a civilian employee of the U. S Indian Service. Dr. Gowdy accepted an appointment with the Bureau of Indian Affairs while the Bureau was a part of the Department of the Interior and before its activity became a Service in the Department of Health, Education and Welfare.

Among those from McKinney attending the Baylor game in Waco Saturday were Mr. and Mrs. Luther Truett and children, Jerry Nancy and Katie, Mr. and Mrs. Leon Moses, Mr. and Mrs. Raul Saba, George Jones, Herman White, Mr. and Jack Anderson, Elliott White, James Stewart, and others.

John Berry has been removed from the City-County Hospital to his home in Melissa. Mr. Berry suffered a broken hip recently but is reported to be getting along nicely.

For several years, the cost of hospital services to the patients has steadily risen at City-County Hospital. This rise has been out of proportion to the rise in costs in newer hospitals in the state. Our cost in the calendar year of 1954 was $23.39 per patient for each day they spent in the hospital. The state average cost for the same year was $18.09. There are very definite reasons why the cost in the City-County Hospital is so high. First, it is costing an average of $2,000.00 per month to maintain our buildings, and second, it is costing about $1,100.00 per month to maintain our equipment. This cost will increase with passage of time, and in fact, should we be forced to continue to try to operate a hospital with our present facilities, the expense to our patrons will grow so high that the hospital probably cannot be maintained.

Proposed $750,000.00 Bond Issue.

The Federal Government has recognized this fact, the Texas State Department of Health has recognized this fact, which has resulted in a Federal Grant of $750-000.00 to Collin County for the expressed purpose of building and equipping a completely new hospital. Your Hospital Board of Directors, your doctors, your hospital administration, and your hospital staff have recognized this fact and are giving you the opportunity of providing adequate hospital facilities for you, by proposing a $750-000.00 Bond Issue to be voted upon on October 8, 1955.

Your Commissioners Court has recognized our hospital problems and has seen our hospital needs and have, therefore, proposed to support this Bond Issue by stating that if the Bond Issue carries, it will be fininced out of present taxation income.

No Extra Cost To Taxpayer.

In brief, we have the opportunity to provide our people with excellent health facilities, now and for many years to come, at no additional expense to the taxpayer by voting for the Hospital Bond.

R. E. Beasley Is Re-Appointed County Auditor

R. E. Beasley was recently reappointed County Auditor of Collin County, which responsible office he has held for the past 35 years. Mr. Beasley assumed his duties for the first time as auditor on December 1, 1920, following the resignation of the late George Fox.

Mr. Beasley first began serving in the office under the late Leland Franklin, working part time. Later in 1918 he became deputy under Auditor Fox, and as mentioned above, assumed the full duties of auditor of the county in 1920. He has held the job continuously, his recent re-appointment being effective on Sept 6.

Salary Raised.

He received a substantial raise in salary along with his re-appointment, bringing the auditor's salary up to $6,000 per year with a previous $4,750. When he first assumed the office in 1920 the salary was $2400 per year.

The County Auditor is appointed by the district judge, and approved by the County Commissioners' Court. The present deputy in the office is Miss Leta Mae Nelson, who has ably assisted Mrs. Beasley in this responsible capacity for the past 23 years.

Conference On Education Is Planned Here

For our Ninth Senatorial District, an important lay Conference on Education is called at McKinney October 6 to study the findings of the Texas Research League.

Clean Or Wash Summer Clothes Before Storing—

Right storage will increase the life of summer clothing.

Here are some suggestions for keeping out-of-season clothing in good condition until next summer:

Mend any ripped seams, tears loose butons or other damages. A few stiches can save the life of a garment.

Wash or dry clean all garments before storing.

Store cottons and linens unironed. Make certain all starch is removed. It can cause fabric to deteriorate and may attract silverfish.

Dry garments thoroughly and store them in a dry place to prevent mildew.

Store in large boxes or trunks to make room in closets for fall clothing.

• • •

Mildew Control—

Recent hot, humid and rainy weather conditions in some areas of the State, offer excellent growing conditions for the molds that cause mildew.

Clothes and household fabrics—especially cotton, linen, silk, and wool—are favorite camping grounds for mildew. Quick teatment of the stains is important.

First, brush off the surface growth of mildew. Do this outdoors, not in the house, where the spores might scatter over other materials and produce a new growth of mildew.

Soap and water will take care of fresh mildew stains on washable fabrics. If the stains are stubborn, they may be treated with a bleach. Sodium perborate is a mild bleach that is safe for washable fabrics. It's a good idea to test colored fabrics with the bleach first to be sure it's color fast.

Sponge the mildew stain with a solution of one tablespoon of sodium perborate in one pint of luke warm water. Leave for a minute or two. Then rinse well. Dry cleaning is recommended for fabrics that cannot be washed.

• • •

Fall Care For Lawns—

If you like to see your lawn in a healthy, vigorous condition, then here are a few suggestions for you on fall care for your lawn.

Lawn grasses will go into the winter in a vigorous condition if they are well nourished, and you can make sure your lawn is properly nourished by applying a complete fertilizer before winter. The fertilizer should be applied about a month befor the first hard freeze. This not only permits the grass to utilize most of the fertilizer, but prevents summer grasses being pushed into lush growth by late fertilization and being killed by the first hard freeze.

Apply a complete fertilizer with a 2-1-1 or 1-1-1 ratio at a rate to supply 2 lbs. of actual nitrogen per 1000 square feet of lawn. The soils in some areas do not need potash, but using it anyway is good insurance. After you have applied the fertilizer, water your lawn good because the grass can't use it until it's dissolved.

By following these few suggestions, you should have a healthier, more vigorous lawn this fall and early spring.

• • •

Freshen Up With Color—

Brighten rooms and furnishings now for fall and winter months ahead. Color is one of the best and best and least expensive means of making the inside of a home pleasant and attractive.

It costs no more to select colors that will be effective. Paint, wall paper and fabrics offer a wide selection.

Plan your color scheme carefully. Consider the likes and dislikes of your family and the effect you wish to create. Review the principles of color harmony.

To help you with your plans, get a copy of Extension bulletion. COLOR IN THE HOME, from the County Extension Office.

Five McKinney FFA Boys To Receive Lone Star Awards

Five FFA boys of McKinney high school will receive Lone Star Farmers certificates at the Area Lone Star Banquet to be held at Hubbard Hall, TSCW, on October 4, according to an announcement made by Dough Rollins, FFA advisor.

Boys receiving the awards are Nolen Welborn, Olen Welborn, Robert Russell, Kenneth Edwards and Darrell Johnson

Lewis Fry of McKinney will receive an adult award, the Honorary Lone Star Farmers Degree, for outstanding service to the Future Farmers of Collin County. Only one of these honorary degrees is presented each year.

To qualify for the certificates, FFA boys must earn in a three-year program a total investment of $650. Reports for the three-year program are audited by a committee of vocational agriculture teachers over this area. The five boys received their achievement pins at the State Awards Banquet in Houston in July.

Mr. Rollins and U. L. Watson, advisers and other members of the local chapter, will also attend the banquet.

Celina Bobcats Trim Gunter By Score 34-19

By FRED DICKINSON

Celina's big booming Bobcats rolled over a courageous young Gunter High team, at Celina, Thursday night, by a 34-19 score in an important District 14-B six-man football game.

With ths victory, the Bobcats of Coach Buddy Smith kept their record clear at three straight wins for the 1955 season, and stayed right on top with the leaders in this fast moving six-man league with their second straight conference victory.

But, they ran into all kinds of trouble from the Blue and White Tigers, a battling young outfit in a furious last half that saw the Gunter lads put the first score of the season across the Orange and White goal line. In fact, the Tigers scored three times and made a contest out of what had been a first half runaway.

The Bobcats, blessed with excellent heighth and weight, rolled to a 26-0 lead in the first half. With Ray Pinion, a 190-pound six-footer, luging the leather and getting some fine help in the blocking department from his teammates, they barged 51 yards for the score the first time they got the ball. The score came on a jump pass from Pinion to Kenneth Boren, good for 24 yards. They scored again early in the second quarter on a 62-yard drive that featured Buddy Clark, the blockers, in a ball carrying role. The biggest gain was a 23 yard scamper by Clark to the Gunter 16. Boren circled left end for 20 down to the Tiger 3, and Pinion put it over with two smashes at the middle.

The Orange and White scored twice more in the second. The first counter was set up when Joe Whitfield blocked Charles Bledsoe's kick on the Gunter 23. The alert Boren scooped the loose ball up on the Tiger 18 and ambled down the sidelines for a score. He placekicked the extra point with Clark holding to run the score to 20-0. The Tigers handed Celina a chance at the fourth score when they tried to plunge for a first down on their own 29 against the hard charging Orange forward wall. The play failed, and the Bobcats took over and scored quickly when quarterback Junior Terrell found Whitfield with a sharp pass on the Blue 20, and he went all the way.

The Bobcats ran the count to 32-0 early in the third quarter on a 59-yard drive the first time they had the ball. Coach Smith's lads used a spread formation effectively with Pinion playing tag with the visitors for 14 yards on a play that wound all over the field. Pinion chipped in a 15-yard run around end and then Clark circled left end behind fine blocking for 11 yards and Bobcats' fifth and final score. Pinion place kicked this extra try to run the count to 34-0.

The Tigers rallied at this point and what had been a rout became a real ball game. Bledsoe, the Gunter tailback, led a three-touchdown offensive that found his team fighting their bigger, heavier opponents to a standstill. He got wonderful help from the Doickey brothers — Norman and Don — two chunky youngsters, who are natural football players. The youngest, Norman, is only 14 years old, weighs only 112 and is a freshman. He mush have given away a foot in heighth to his Bobcat opponents, but he was a terror in those final two quarters. The first Tiger score climaxed a 48-yard drive. It was a fine pass from Bledsoe to Don Dickey that found the youngster alone on the Celina 9. He found his way through two Celina defensive backs for the score. On the ensuing kickoff, Boren made a fine 29-yard return to the Bobcat 40 but fumbled and Jimmy Jackson, recovered on the Tiger 34. The visitors couldn't move on the ground against a Celina defense that was terrific in its ferocity, so they worked a double-pass play that must be the weirdest in the history of the league. Bledsoe, a big, loose runner who can tread his way through a broken field in the best of style, maneuvered from the spread formation until he could throw a long lateral pass to Jackson in the left sideline. As the Bobcat defense charged in Jackson fired right back upfield to Bledsoe and he took the return down the sidelines for 25. The Tigers dropped two fine Bledsoe heaves that barely trickled away right on the goal line. Celina took over, and Otis May fumbled on the first play, and Jackson recovered on the Bobcat 6. Bledsoe faked a pass and then turned on the steam around right end for the touchdown. The final Blue score came when Terrell fumbled the passback on an attempted kick, and the Bobcats had to surrender the ball on their own 20. From the spread formation, Blesdoe shot a pass to Billy Morrison and he ambled down the sidelines to the Bobcat 6. Where the Orange hid. Celina tried a pass attack from this point, but Don Dickey intercepted on the 11 and returned to the 1 from which point Jackson barged over on the first try. The Tiger extra point try was a classic. The first try was good, but Gunter was offside. One the next effort, Bledsoe tried to pass, as he was tackled; the ball wobbled crazily down the sidelines and Norman Dickey grabbed it on the run and sprinted over for the point.

The Bobcats gained 120 yards rushing and 65 passing in this victory and demonstrated beyond a doubt that they are going to go all the way in this tough little league, this year, or help settle the issue.

Defensively, they were terrific, and the offense clicked with vicious blocking when the chips were down. The entire backfield played swell on both offense and defense. Gunter, although subjected to a thorough thrashing, was a good football team mainly on spirit and some fine work by Bledsoe on both offense and defense. He was joined by Charlie Harrison and Don Dickey in the defense. The coaches W. J. Harris and Euline Shaw, and their assistant, George Matlock, couldn't help being pleased with their charges even in defeat. The Tigers started and used two freshmen throughout the game.

The pep squads of both schools gave fine demonstrations at the half. The invocation was given by Rev. Frank Brooks, pastor of the Celina Presbyterian Church.

Royse City Trims F'Ville Farmers 25-2

Royce City, shakled the final half by blinding rain, nevertheless scored a convincing victory over the District 13-A Farmersville farmmers at Royce City, Friday night 25-2 its second in three starts.

The Bulldogs of District 12-A grabbed the lead in the first period on Jerry Melton's 41-yard sprint and enlarged the margin when Martin Harvey added a 6-pointer on a 22-yard burst.

The winners added another touchdown in the second quarter on Melton's 51-yard romp and then concluded their scoring in the muddy fourth with Danny Davidson's 40-yarder. Farmersville collected its two points when Harvey was felled in his own end zone trying to sweep end, Indicative of the rain was Royeve City's 234 yards on the ground in the first half compared to 23 in the rainy final half.

Anna Gridders Defeat Roxton By Score 34 To 6

Coach Sam Barnes' gridders, of Anna, defeated Roxton 34 to 6 on a muddy field at Roxton Friday night. This was Anna's fourth game for the season, and third win.

Points were made for Anna by Bell, scoring 4 touchdowns; Cravens, scoring 1 and making 3 extra points, and Wynn, one extra point.

Yards gained by Anna, 418; by Roxton, 179.

First downs for Anna, 6; Roxton 4.

Score by quarters for Anna 14 points, first; 6 points, second; 7 points each in third and fourth quarters.

Lewisville Plows Under Plano Wildcats 34-6

The Lewisville Farmers plowed under the Plano Wildcats, 34-6, as Dan Smith and Gordon Salesman spearheaded the Farmer's attack with two touchdowns each at Plano Friday night.

Dan Smith tallied both his touchdowns in the first quarter on a 47-yard end run and a line plunge from the 6-inch line. Gordon Salesman added both extra points.

Jimmy Mix added another Farmer score in the second quarter when he hit Mike Denison with a pass good for 37 yards. Salesman again kicked the extra point.

Gordon Salesman broke loose on a 33-yard jaunt in the second period and a 28-yard run in the third period to add another two Lewisville touchdowns. Salesman added another extra point.

In the final period Jimmy Harrington passed to Lewis Allman on a pass play good for 56 yards to the Lewisville 1-yard line. Harrington plunged over for the only Plano score. The extra point try was no good.

Allen Eagles Take Prosper By 30 To 12 Score

The Allen Eagles defeated Prosper 30 to 12 Thursday night in a game played at Prosper.

The Eagles' touchdowns were made by Don Brazeal, Gearald Lanier and James Pilkilton, the latter making two scores, and Kent Stratton, who recovered a fumble behind the goal line.

Outstanding offensive players for Allen were Brazeal and Pilkilton. Sportsman and Popplewell did fine work on defense.

Caddo Mills Wins 52 To 12 Over Westminster

Coach Charles Thompson's boys were defeated by the powerful Caddo Mills team at Westminister Thursday night by a score of 52 to 12. Coach Thompson states his boys palyed a hard-charging defense but were just outclassed by the Caddo Mills.

The home county boys credit their scores to H. G. Griffin who returned a kick 60 yards, and Buddy Bailey who ran 40 yards on a pass from Griffin.

Next week Celina will journey to Westminister.

Pat and Penny Bass daughters of Dr. and Mrs. R. C. Bass of Houston have returned home after a visit with their cousin, Lillian McKissick.

Mrs. Austin Babcock, of Long Beach Calif., is visiting her sister, Mrs. H. A. Browne, and family, here for a few days. She will visit her son, Jimmy Perkins and family, in Dallas before returning home.

ARLINGTON COLTS TAKE LIONS BY SCORE 27-6

★ ★ ★

By NORMAN SCOTT

Coach Melvin Workman turned 5 elusive backs out of the "corral" as his Arlington Colts defeated the McKinney High Lions, 27-6, at Arlington Friday night, in a game closer than the score indicates.

Quarterback David Snider, halfbacks Ronnie Graves, Earl Hinson and Frank Hillards and fullback Danny Smith of the Colts racked up 217 yards rushing against the Lions as Snider looked exceptionally good on the option play with Hilliard, Hinson and Graves showing adept running from their halfback posts, and Smith, a hard-running fullback, displayed tremendous drive.

The Lions, with Locke, Allen and Joplin shouldering the offensive, rolled for 250 yards on the ground, but the Colt line rose up to the occasion at critical moments.

Arlington took a 6-0 lead with 3:41 left on the clock in the first quarter. McKinney had moved the ball on their first series of downs to the midfield stripe on a 19-yard scamper by Locke and a 11-yard gain by Charles Allen after they had taken the ball on their own 20 when Arlington failed to move the ball after receiving the opening kick-off. Both Locke and Allen were just about a step away from going all-the-way on their two runs. Locke punted to Graves on the Arlington 26 and he returned it to the Colt 29. From the 29, Hinson hit center for 2 and then went wide around left end for 26 to the Lion 46. Smith went over center for 3, and a jump pass from Snider to Crowley was incomplete. Graves took a pitch-out from Snider and rambled for 9 to the McKinney 34 and after fullback Smith moved it to the 33, Snider, executed the option perfectly and went wide around his own left end for the touchdown. Youngs attempted conversion was wide to the right.

After taking the ensuing kickoff, the Lions with Locke and Allen alternating, carried to the Arlington 34, but the Colts stiffened and took over on downs. The Colts were unable to move the pig skin and end Joe Powell broke through and blocked Graves punt but the Lions were also unable to move and Locke punted to Hilliard who returned to the Arlington 26-yard line. The Colts, featured at 21-yard run by Snider, and a 31-yard journey by Graves, moved to the McKinney 3. With second and goal to go, Hillard fumbled a handoff by Snider and tackle Charlie Powell pounced on the pigskin to stop the drive. The Colts came right back after taking Locke's punt and returned it to the Lion 31. From the 31, the Colts picked up a first and ten on the McKinney 20, but Charles Allen intercepted a Snider pass, intended for Crowley on the McKinney 18 to again stymie the Arlington crew. The half ended with the Coalts holding a 6-0 lead.

Arlington kicked off to the Lions to start the second half, and on the first play, from the Lion 35, the Colts recovered a fumble by Locke on the McKinney 37 . . . to set up their second marker. Smith hit right tackle for 3, and Graves took a pitch-out from Snider and rambled for 27 yards to the McKinney 7. Where Snider on the option again went wide around the Lion left end for the tally at 10:30 on the clock. Young's conversion was good.

They battled on even terms for the remainder of the third quarter and early the fourth stanza, the Colts were moving again but linebacker Gene Bergins recovered a Snider fumble on the McKinney 18. From the 18, Joplin made 6 at right tackle on a keeper, and Allen burst through center for 14 to the McKinney 38. After Joplin picked up 2 at left tackle, Locke brooke loodse for a 60-yard sideline scoring jaunt for the Lions' only touchdown. Charlie Powell turned key block to shake Locke loose on the Arlington 46. Locke ran into trouble around the Colt's 15-yard line, but shook off John Young a defense halfback and scooted over for the 6-pointer at 9:42 left on the clock in the final quarter. A bad pass-back from center spoiled the try for extra point.

With 5:22 remaining, fullback Smith went over the third Arlington score from the Lion 7. Young kicked the PAT. This time the Colts moved from their own 35 for the tally.

Behind 20-6, midway of the final quarter, fullback Allen broke loose for 42 yards to the Colt 4, where he was tripped up by Gerald Lively. On a third down try from the Colt 2, Joplin tried right tackle, and when hit hard, the ball squirted out of his grasp in to the waiting arms of Hinson on the goal line who sewed up the tilt by running 100 yards with the loose ball for the final Arlington touchdown. Young kicked the extra point with only 2:55 remaining on the clock.

Tackle Bill Goforth, and Charlie Powell, middle-guard Tommy Capps, and end Jimmy Acosta, along with middle linebacker Gene Bergins, stood out for the Lions on defense, while Donald Thompson, Charles Jacobs, Benny Handley and Lively turned in some fine defensive work from the Colts.

Frisco Coons Blank Sanger Indians 33-0

The Frisco Coons blanked the Sanger Indians 33-0 at Frisco Friday night in a non-conference tilt.

Blinding rain that started in the third quarter almost emptied the stands of an estimated 500 persons.

The Coons had scored one time in the third quarter before the rain hit, but after the rain the best the Coons could do was to slide around — just as their opponents. The rain was so dense it was almost impossible to see across the field.

Tailback Danny Smotherman scored two times and Backs Charles Curtsinger, Milton Whitsel and Willie Reynolds each scored once.

The Indians managed only two first downs. The rainfall was so hard that it washed away notes of newsmen and they had no further statistics.

Rylie Leads Princeton As Game Called

The Rylie Rebels piled up a 13-to-6 lead then held it over Princeton until school officials called the game at the end of the half due to rain.

Princeton scored its lone tally on its first play from scrimmage as a back broke off tackle for 40 yards for a touchdown.

Rylie's two tallies both came in the second quarter. Rylie left halfback Homer Brannum went around right end for ten yards for the first Rebel Touchdown. Al Ryer, fullback drove over from the point after. The other Rebel score was made by Benny Hinkle, right half, on an offtackle play for six yards.

Princeton school officials called the game at halftime due to heavy rain which had fallen throughout the first half. The officials said the damage to the field was the main reason for ending the game early. Both clubs are members of Class B districts.

Junior High Wins By Score Of 51 To 0

By NORMAN SCOTT

Fullback Robert Garcy accounted for 20 points in leading McKinney Junior High (Eighth grade) to a one-sided 51-0 victory over Sulphur Springs Junior High at Newsome Stadium Tuesday night.

Gracy turned in runs of, 34, 43 and 30 yards for 3 touchdowns and plunged for 2 extra points in his fine performance.

Quarterback Jerry Cruz engineered McKinney's attack and scored their first touchdown on a 36 yard jaunt around right end at 4:45 in the first quarter. Cruz passed to end Clifford Dickerson for 2 touchdowns, covering 26 and 34 yards, and Tommy Crutcher, flipped an aerial, good for 50 yards and a score, to end Buddy Odle. Crutcher also scampered for 50 yards around right end for a tally.

McKinney had 332 yards rushing and 134 in the air on 5 completions in 11 attempts while Sulphur Springsh managed 65 yards rushing, and completed 1 pass, which lost 4 yarrs in 7 tries. The little Lions made 17 first downs to 5 for Sulphur Springs.

Defensively, Ends Clifford Dickerson and Buddy Odle, tackle Ben Pior, and linebacker Robert Graves and Gracy, shared the spotlicht, for McKinney.

The victory was the third straight for Coach Scott Johnson's crew.

This Is How the Ballot Will Read

OFFICIAL BALLOT

"For the issuance of Hospital Bonds and the levy of taxes in payment thereof."

"Against the issuance of Hospital Bonds and the levy of taxes in payment thereof."

EXPLANATION

If yo uvote for the issuance of Bonds and the levy of taxes in payment thereof, you are merely pledging 15c on the $100.00 property evaluation of taxes that are already being collected. You are NOT voting any new taxes on property in this county.

WHY A NEW HOSPITAL?

The decision of the present Hospital Board to seek a completely new, modern, well-equipped, air-conditioned, quiet hospital was reached after years of study by the PRESENT and PAST Hospital Board of Directors, and after experts in the field of hospital planning and operation, had made studies of Collin County's situation and who advised this to be the only practical solution.

HOW WILL A NEW HOSPITAL BE FINANCED?

The proposed new hospital will cost between $1,300,000 and $1,500,000. THE FEDERAL GOVERNMENT HAS MADE A GRANT TO COLLIN COUNTY UNDER THE HILL-BURTON ACT TO PAY ONE-HALF THE COST. Collin County will provide the other one-half of the cost. Collin County's share can be paid by voting a bond issue which will not increase present valuations or tax rates. IF WE FAIL TO VOTE THIS BOND ISSUE, THE FEDERAL GRANT WILL BE WITHDRAWN AND THE MONEY GIVEN TO SOME OTHER COMMUNITY.

HOW WILL A NEW HOSPITAL BENEFIT COLLIN COUNTY PEOPLE?

A new hospital with modern facilities will greatly improve the type of service rendered to the sick and injured. By virture of this improved service such people will suffer less, lose less time from work, spend less time in the hospital, thereby spending less money for treatmnt.

VOTE FOR the Hospital Bond Issue October 8, 1955.

LETTER FROM COURT

September 30, 1955

TO THE CITIZENS OF COLLIN COUNTY:

Due to the inequities found in the original publication calling for a 10% increase in valuation "across the board" this Court, in company with competent financing authorities, has agreed that the following plan of financing the Hospital Bond Issue is sound and is to be followed.
We can rearrange our tax rates in the following manner:

General Fund	$0.28
Road and Bridge (Int. and Sinking Fund)	$0.15
Road and Bridge (Maintenance)	$0.34
Permanent Improvement	$0.17
Jury	$0.01
	$0.95

This means that in the event this Bond Issue carries, the voters will have designated 15c of the Permanent Improvement fund for the express purpose of retiring these Hospital Bonds.

This will not decrease the money available for county road maintenance, nor will it affect the farm to market road program.

WE PERSONALLY ARE SUPPORTING THIS BOND ISSUE.

Very truly yours,

W. E. BUTTON, County Judge
GLENN BALDWIN, Commissioner, Precinct No. 1
G. G. BOWEN, Commissioner, Precinct No. 2

LETTER FROM MEDICAL STAFF

TO THE CITIZENS OF COLLIN COUNTY:

We, the undersigned, members of the Medical Staff of the City-County Hospital, do hereby heartily endorse the proposed program for the construction and equipment of a new County Hospital.
It is our considered opinion that the present hospital facilities of Collin County are grossly inadequate to provide the type of service you need when it is necessary that you be confined to a hospital.
We have reviewed the plans for the proposed building and have concluded that when the facilility is constructed, many benefits will accrue to the citizenship. Some of the benefits are as follows:

1. Better and faster diagnosis of disease.
2. Better facilities for the treatment of disease.
3. An atmosphere and environment necessary to rapid and healthy convalescence.

WE, THEREFORE, URGE THAT EACH AND EVERY VOTER OF COLLIN COUNTY VOTE "FOR" THE HOSPITAL BOND ISSUE ON OCTOBER 8. 1955.

Respectfully recommended,

LETTER FROM HOSPITAL STEERING COMMITTEE

TO THE CITIZENS OF COLLIN COUNTY:

We, the members of the County Hospital Steering Committee, composed of former Board Members and interested citizens of Collin County, were asked sometime ago to make a study of the present and future hospital needs of the citizens of Collin County.

This committee, after a full and impartial investigation of the present hospital facilities, has found these facilities to be wholly inadequate. Further, it has been found that the present hospital, constructed some thirty-five years ago, is beyond the point of further additions to meet our needs. The Steering Committee found that the present and past Board Members have reached the same decision in regard to plant modernization.

The conclusions of our findings are that the most economical and best best plan for the present and future would be the construction of a new hospital. Especially is this true since since it is possible to secure one half of the cost of construction from the Federal Government and the other half being paid by the County, requiring no increase in accessed valuations or tax rates.

THE STEERING COMMITTEE ENDORSES THE PROPOSAL OF CONSTRUCTION OF A NEW HOSPITAL AND URGES THE VOTERS TO VOTE FOR THE BOND ISSUE ON OCTOBER 8. 1955.

Respectfully recommended,

County WMU Celebrates Golden Jubilee

September the 9th marked a great milestone in the progress of the Women's Missionary Union of Collin County. The Golden Jubilee Celebration climaxed fifty years of faithful missionary endeavor by the Baptist women of Collin Association.

The meeting was held in the First Baptist Church, Plano where the Collin County organization was begun in 1905. The general theme was Hitherto — Henceforth. Mrs. S. J. Barron, local W. M. U. president gave the welcome address. Lunch was served at the noon hour in the fellowship hall characterized by delightful decorations of fifty years ago.

Highlight of the all-day program was the pagent, "A Golden half Century of Collin Association Women's Missionary Union History," written and directed by Mrs. A. M. Wolford and Mrs. Wilber Kindell and Mrs. John Green, assisting. Tribute was paid to the pioneer women present who had a part in paving the way for development and progress of the Baptist women's work. Lighted candles signified the light of the many Baptist women and missionary societies that have been faithful to the cause of Christ through the years. Deceased light-bearers of yesterday such as Major and Mrs. Penn, Mrs. J. A. Norman, Mrs. Portman, Mrs. J. S. Dowell, Mr. and Mrs. J. H. Young, Mr. and Mrs. G. O. Key, and many others were flashed on a screen to remind them of the undying influence of the people of yesteryears. A year by year analysis of the progress of the Women's Missionary Union was begun with the year 1886 when Rowlett organized a Women's Aid Society — on through the years — war years, depression years, war years again, to the present day; presenting achievements from the first president of Women's Missionary Union of Collin County, Mrs. Clara Routh, to the present day president, Mrs. Tom Claycomb, other officers gifts for mission causes, and special accomplishments were narrated in detail as the light was passed on.

With lighted achivement candles were held aloft against the backdrop of an illuminated cross symbolizing the lifting up of Christ to the ends of the earth, a challenge was left before the present members of the W. M. U. that they dedicate themselves to the task of training eager hands to receive the light that hands before have held high. The meeting was closed with a prayer of dedication.

Mr. and Mrs. Floyd Copeland and little son, Dennie, Miss Ermyne Irene O'Brien of Dallas spent Sunday with their parents, Mr. and Mrs. Frank O'Brien at Twin Bridges. Miss Alma June O'Brien, of Dallas returned to Dallas with her sister as a two weeks vacation at Twin Bridges.

Miss Annie Louie Smith, who is a freshman student at T. C. U. in Fort Worth, spent the week end with her parents, Mr. and Mrs. Albert Smith, in Allen.

McKinney FFA Boys Assist Livestock Superintendents

Boys of the Boyd High chapter of Future Farmers of America have been busy the last few days preparing the livestock barns and swine pens for participation at the Collin County Fair starting Monday.

U. L. Watson and J. T. Rollins, group sponsors, made the announcement. Mr. Watson is general superintendent of the livestock division, and Mr. Rollins is superintendent of the beef division.

The boys will compete both in the junior an dthe general divisions. These will be judged separately, Mr. Rollins said. Prizes will range from $5.00 down to a ribbon.

Lynn Cundiff Wins First Place In Santa Fe Contest

Lynn Cundiff, 17 year old club girl and daughter of Mr. and Mrs. Henry Cundiff of Allen, won first place in District 4 4-H Contest on the Santa Fe Award. In the Santa Fe award, all 4-H activities are considered including demonstrations, leadership, and achievements. In 1954, Lynn was the state winner in Leadership and received a watch from Floss Wilson Meat Packing Company. Lynn has held practically every office in her local club, County Council President, Distirct President, Vice-President, Reporter, and Song Leader. She is the state Co-Chairman Elect for State 4-H Council for 1056. In 1955 Lynn was selected to represent district 4 as a Junior Leader in Recreation at A & M College and at the Bastrop Leadership Lab. At the state council, meeting, Lynn served as chairman on the recreation committee in making plans for having better recreation in all 4-H club activities. Lynn has completed 76 demonstrations in 8 years club work including foods, home improvement, leadership, recreation, home management, clothing, and safety. Lynn won 3rd place in the state on Public Speaking in 1954 and second place in District on Dairy Foods for 1952. One of Lynn's outstading accomplishments is the organization and leading of the Junior 4-H Club of Allen. Twenty-eight young girls are under Lynn's leadership.

Two Plano Tots Badly Hurt When Hit By Car

Loretta and Jackie McEntire, 4 and 6 years old, two little colored girls of Plano, are in St. Paul Hospital, Dallas, suffering from painful injuries sustained Saturday when they were struck by a car.

The girls were reported to have been crossing the street, when they were hit by David Brimlee, of Plano. The accident is said to have been unavoidable.

Mr. and Mrs. R. L. Sutherland, of Dallas, spent Sunday night with Mrs. Sutherland's parents, Mr. and Mrs. Vernon Hall here.

Mrs. Ruby Clark, of Westminster, who has been ill, is reported to be improving.

Weston Wins First In Women's Club Exhibits At Fair

The Weston Home Demonstration Club, of which Mrs. Lester Dickerson is president, won first place in the club women's exhibits at the Collin County Fair this year. The theme of the exhibit was "Electrify your Machine and save your back" in which two machines were in operation by club members. One of the machines showed the electric motor, which had been added.

Nevada's exhibit on gift wrapping won second place for that club. Accessories for wrapping, and a completed package were displayed in the booth. Mrs. Earl Fisk is president of the club.

Alla won third with an exhibit on health their plants with better soil, in which samples of good and poor soil and plants affected by them, were displayed. Mrs. H. A. Kinney is president of the club arranging this educational exhibit.

Other clubs receiving Grade A ratings were Higgins, Lucas, Murphy, Bethany, Bloomdale, Chambersville, Anna, Climax, Lebanon, Celina and all 4-H and FHA exhibits.

All of the women's club booths are arranged at City Coliseum this year, along with commercial exhibits. The center of the building has the textile and canning departments in which all kinds of handwork and home cannedfoods are attractively displayed.

Commercial exhibits include Rencau Florist, with a beautiful display of potted plants and cut flowers.

Finney's Bakery featured "Finney's fresh bread, rolls and an assortment of cakes.

Early American furniture and Simmons mattresses were displayed at Johnson's Furniture Company Booth.

A real Indian tepee, made and designed by a group of Camp Fire Girls, was on exhibit along with other handwork of the girls.

Mrs. Melvin Close, home economist for the Bill C. Christie Company, dealer of International-Harvester products, welcomed visitors to the company booth where chest and upright I-H frezers and refrigerators were displayed.

Monroe's Applinaces, including a Television model, stove and refrigerator, occupy space in the large coliseum.

Visitors to Howell's booth may register for the Dearborn bar-B-Q grill to be given away Saturday night. Exhibited in the booth are Philco appliances, television sets, stoves and retriberators; also Whirlpool washers an da modern designed bedroom suit.

All of the exhibits by the home demonstration club, as pointed out above, are educational, and are eliciting the praise of fair visitors for the deftness in which they were arranged. The themes brought out in these displays are as follows: Anna Home Demonstration Club—holiday decorations, featuring a red and green Christmas centerpiece; Thanksgiving scene and table favors, and Halloween decorations.

Climax Club—Civil Defense, stressing preparedness against atomic bomb, tornado or flood with first aid equipment, cooks, processed water, canned food, proper clothing and other equipment to be used before or after disaster strikes.

Bloomdale club—Cycle of Family Growth, skillfully prepared with cut outs of the age groups and emphasing "Prepare Early for Maturing Years".

Bethany Club—Party foods. A party table with an assortment of dainty cookies, drinks and desserts. The theme of this attractive booth is "Intrigue your friends with a shelf of frozen goodness".

Murphy Club — Value of milk, stressed through placards and bottles of this "Important Food", dry or liquid.

Westminster Club — Christmas centerpiece, consisting of a sugar plum tree.

Lucas Club—"Why First Aid Training", with placards urging "Develop Safety Consciousness to assure better care of the injured".

Higgins—Feeeding the family in emergencies. The day's food supply is exhibited in pictures and containers of canned and packaged foods.

Celina—The unhampered baby, comparing the care and clothing of infants today with those in 1877 1905 and 1925. Dolls are used as models in this exhibit.

Lebanon—Glass etching—with tools, instruction and attractively etched glasses displayed.

Chambersville 4-H Club—Safety. Hazards and danger signs are exhibited in miniature.

Anna FHA — Knowledge "A Happier Living", with a display of books, papers, magazines and the Bible.

Allen 4-H Club—emphasing the club slogan "To Make the Best Better" and the 4-H pledge boldly displayed.

Alla 4-H Club—Placards designating good and bad books for reading material.

The textile department, with entries from the clubs as well as the 4-H clubs, has a large display of quilts, afghans, pillows, aprons pillow cases, scarfs, doilies and other needlework, hand made aluminum trays and painted China.

The canning conserved for future use on the family table.

Many styles in ladies and children's dresses are also a part of the textile exhibit.

Local Boys Visit Cap'n Bob's Kiddie Carnival TV Show

A group of McKinney boys were in Dallas recently to visit the "Kiddie Karnival" telecast at Chanel 8 headquarters. The youngster who visited the trip to Cap'n. Bob's show were Allan Fortier, Mark-Stoddard, Douglas DeMoss, Marvin Stoddard and Chris Cox.

Along with the regular program, another visitor participated in the show — Cass, the 3-year-old elephant from Ringling Brothers Circus, which was enjoyed by the kiddies present.

Chambersville 4-H Club Booth At Fair Stressed "Safety"

The Chambersville 4-H Club boys and girls won the Blue Ribbon on their booth at the Fair. Their theme was "Safely", with "Safety" Is a Family Project" as the title. We carried out the rules of Safety with place cards, tools and toys, a real fire extinguisher and fuse box.

The 4-H members put up the booth and want to say "thank you" to the following merchants for their kindness and for the merchandise loaned for the booth: A. D. Hope and Sons, for the fuse box and shart tools; City Hall for fire extinguisher; Firestone Store for railway crossing.

To 4-H Club leaders, Mrs. Lewis Bradley, Mrs. L. A. Billings, and Mrs. Jesse E. Slate, we want to say we appreciate their cooperation very much and we always strive to further our motto "To Make the Best Better" with this kind of help.

The members working on the booth were Don Bradley, Johnnie Bradley, James Gainey, Larry Billings, Patsy Estep, Mary Warden, Beverly Slate, Margaret Shellunt and Rita Sells.

Many of the members won ribbons on other entries in the fair. Beverly Slate, reporter.

Mr. and Mrs. R. G. McCain and son, Billy have recently moved to Arlington, from Houston. Their host of friends in McKinney, where they formerly lived, are pleased to have them nearer home.

Mrs. Wanda Moats, of the Desert Community, visited her mother, Mrs. Nale Hileman, at Westminster.

THE HOME TOWNERS

THE GREEN LIGHTS ARE ON IN McKINNEY AND COLLIN COUNTY

YOUR HOME Towners have suggested to Judge Button and the Commissioners Court of Collin County that they raise the pay of our Deputy Sheriff's. We have been informed that this County is in the best financial condition that it has been in many years. We have seen in the past few weeks the dangers of being a Deputy Sheriff in as much as two of our County squad cars were partially wrecked recently, placing our two deputy's in the City-County Hospital. And remember that you never have wrecks drinking a cup of coffee in a cafe.

▼ ▼ ▼

WORK And a lot of it is being done at The McKinney Chamber of Commerce on the Veterans Hospital situation. Your Home Towners would like to suggest that every business man or property owner visit the Chamber of Commerce and see what is being done. It takes money and money is needed. If you haven't sent your check to help defray expenses on this most important project — do it today. Don't be a FREE rider.

▼ ▼ ▼

A merchant reported to Your Home Towners this morning that the rain of last night could have caused him a severe financial lost. Seems he had a display at The Coliseum and a leak occurred almost directly over his booth. They happened to be down at the Coliseum and moved their display. Your Home Towners are wondering if our City Commission would let their own property run down—we venture to say a BIG NO. And why let our City property run down.
